Sierra Pacific Industries Announces Promotion of Aaron Sulzer as Structural Lumber Sales Manager

Anderson, CA – Sierra Pacific Industries (SPI) announced today that Aaron Sulzer has been selected as the Sales Manager for the firm’s Structural Lumber sales group, effective January 1, 2013. Mr. Sulzer has been working in that same group at SPI for seven years.

“We are pleased to promote Aaron to the top post for Structural Lumber sales” said SPI President George Emmerson. “He has demonstrated solid performance in his years with SPI and we believe he will make an outstanding leader for this sales group” said Emmerson.

Prior to joining SPI, Mr. Sulzer worked for twelve years in other sales and production positions in the lumber industry.

Sierra Pacific Industries is a third-generation family-owned forest products company based in Anderson, California. The firm owns and manages nearly 1.9 million acres of timberland in California and Washington, and is the second largest lumber producer in the United States. Sierra Pacific Industries is committed to managing its lands in a responsible and sustainable manner to protect the environment while providing quality wood products and renewable power for consumers.
